

55%

That's how much more Canadians pay for wireless
than comparable American consumers.

In our view, that's because a lack of competition in our protected market
allows the Big Three mobile phone companies to keep prices above the average prices elsewhere.

Wireless competition would give consumers a break.

Isn't it time the government made that happen?

QUEBECOR

The logo for Quebecor, featuring the word "QUEBECOR" in a bold, black, sans-serif font. Below the text is a stylized blue swoosh that starts under the 'Q' and curves upwards and to the right, ending under the 'R'.
